(*c*) and (*d*)—The Assistant Employment Officer who happened to be an invalid was placed in charge of the Exchange on a temporary basis on account of exigencies of circumstances. As stated in reply to clause (*a*) above, the post of Employment Officer has since been filled up. During the period when the Assistant Employment Officer was incharge of the Exchange, there were some complaints against the Exchange which were duly enquired into and action was taken to set right certain procedural irregularities.

Notice of a quesion of Privilage against Editor of Salar for an Editorial

† SRI A. K. ANWAR (Bhadravati).—Myself, Sri Hameed Shah, Sri Nadaf and other Five M.L.As of this House have given a notice of the Breach of Privilege by the Newspaper "Daily Salar" of Bangalore who, in their issue datted 12-4-1975, written something condemning the Legislators, particularly the Muslim Legislators. They had written that the Muslim Legislators are useless, unfit, show boys of Congress, doing nothing for the Community and so on. It has assassinated our character. The Editot, Publisher and the Printer of this Paper have no business to write such things. They have stated that we are stars and also mentioned one grown up man of the Cabinet as the raising star. I request the Chair to take suitable action on the Editore, Printer and Publisher of that Paper and direct them to unconditionally apologise to this August House. This paper is getting Rs. 10,000 to Rs. 15,000 of Government advertisements every month. I request the Government through the Chair to discontinue the giving of Government advertiesment to this Paper and ban this paper if he did not tender unconditional apology.
